

How to find us...

Parking on campus will be restricted and therefore we'd like to encourage you to park at the multi-story car park situated next to Mark and Spencer's, which is in close proximity to the campus. A parking fee of £3.00 per day will apply on Level 3 and 4 only of the car park.

Parking can also be found behind Costa Coffee, which allows for 3 hours free of charge, with payment after 3 hours. There is also a park and ride car park near the Longbridge train station. Disabled parking and drop off points for guests with mobility issues will be via the rear car park on campus (accessible via the front access).
