Why choose us?

Excellent track record
Our college has a strong track record of success. We have won national awards and received praise from numerous external organisations on the quality of our teaching and our student support.

Learn from the best
Our expert tutors have vast industry experience and will share their knowledge, skills and top tips with you.

Results from the 2019 National Student Survey show that 88%

If you’ve not been able to achieve English and Maths GCSE grade 4 or above just yet, don’t worry – you will study towards these alongside your main subject.
Industry links

We have excellent links with local employers and will help you arrange work experience placements so that your CV really stands out above the rest.

Courses for careers

Our courses are carefully chosen to provide you with the best experience and skills, so that you’ll be fully equipped to progress to a job or university. For example, we have recently added new courses to prepare you for jobs in areas such as eSports, Drone Technology, Digital Forensics and more.

Amazing resources

We have fantastic learning facilities across our eight campuses including practical areas which are open to the public. From green screens and Apple Macs to construction and engineering centres and industry standard hair and beauty salons – the list goes on! Read on to find out the facilities at each campus.

In a 2019 survey, 73% of past South & City College students said their current job role relates to the course they studied at the college. Of students said their course has challenged them to achieve their best work. (This is 7% higher than the national average.)
Support
Our students tell us they feel really supported whilst at college. We’ll help you with your studies, financial issues, career advice, additional learning support and any other concerns you may have. See page 12 for more details.

Convenient locations
We have 8 campuses across the city and all are within easy reach.

Free travel*
If you’re under 19, you will be eligible for free travel if you live more than 2 miles away from your chosen campus.
*Subject to criteria and availability.

College perks$
Progression

We offer courses at all levels so there’s always a course for you. There are even university courses available, in partnership with some well-known local universities, so you can stay at college and study a university qualification. This way you benefit from a familiar environment, closer personal support and reduced fees as well as studying locally.

WiFi

All students benefit from free WiFi in the college so you can always stay connected with your friends or tutors. You will also have free access to Office 365, editing software and much more.

Free breakfast

We provide a free breakfast to students who are in college before 8:30am so it’s worth getting out of bed that little bit earlier!

“...I really enjoy learning at the college. I need extra support because of severe hearing loss and the tutors are so helpful and encouraging. The facilities are great too, the common room has a pool table and Xbox and the canteen area even has its own Subway.”

Shamraiz Mohammed, Motor Vehicle Maintenance
Take a break
Our campuses have large common rooms with pool tables, TVs, games consoles, ping pong, table football and computers. Check out your local campus to see the facilities as well as other fun events and trips to get involved in.

Have a bite
Our campuses have a great range of catering outlets. You’ll find a selection of great value hot and cold food and drink including Subway at our Bordesley Green campus and Costa Coffee. We also have microwaves for you to use.
Work it out
Want to work out without huge gym bills? We’ve got you covered with our range of onsite gyms at many of our campuses. With a range of cardiovascular, resistance equipment and free weights, you are sure to get a full body workout.

Treat yourself
Relax and get pampered in our hairdressing, barbering and beauty salons situated in our Hall Green and Digbeth campuses and at Bournville College. Our salons are open to the public and offer a fantastic range of treatments with top service at affordable prices.

Get focused
Our libraries have dedicated quiet spots for those moments when you need time away from our lively campus vibe. These spots are perfect for studying and you will also find books, magazines, electronic resources, journals and computers to help with any research.

“South & City College and the excellent staff in the Business department provided me with the knowledge and confidence to succeed. The course covered a wide range of subjects, all of which have been extremely useful during my career in international sales.”

Matthew Kirby, Business & Management
As a large college with many campuses, you get the best of both worlds – a wide choice of courses and a real sense of community. Our student support services are in place to ensure you feel safe and get the individual attention you deserve.

**Personal tutor**
Every student has a dedicated personal tutor to give advice on assignments, progress and anything else you need to chat about.

**Career advice**
Whether it’s employment, university or the next level of your course, our career advisors are here to guide you.

**Staying safe**
All our staff are trained to support any safety and wellbeing concerns you may have. Our welfare and guidance officers and pastoral mentors are there to help with any problems.

**Additional learning support**
Our specialist staff are here to help you if you have a learning or physical disability. It is important to advise the college as soon as possible by completing the relevant section of your application form. If you have a formal assessment already in place at school, please bring this with you to your interview.
Of course it does! We want to make sure everyone gets the chance to study with us, regardless of financial circumstances. Visit our website to find out more!

**Bursaries**

Education is free if you are under 19, but if you live in a low-income household, you may be eligible for a bursary to help with some of your expenses. Just ask!

**Free meals**

We’ve already mentioned free breakfast for early birds, but you may be entitled to free lunch too. Ask us when you start your course.

**Free travel**

There is free travel for anyone under the age of 19, living more than 2 miles away from their campus.
Where to study
Bordesley Green campus is located 10 minutes from Birmingham city centre. It provides our students with dedicated workshops in construction, motor vehicle and engineering. You can enjoy a delicious Subway from the on-campus outlet, or brush up on your techniques on the Astro Turf football pitch.

Handsworth Campus

Soho Road, Handsworth, Birmingham B21 9DP

Our Handsworth Campus is in the north of the city, located on Soho Road. Part of the original Council House which was built in 1877 and the seat of local government, its clocktower is a local landmark. The campus has recently been refurbished and offers a fantastic new sports hall, library and eating area.

“"The Photography tutors were superb. I really enjoyed learning how to use Photoshop, though the tutors challenged and encouraged me to take photos and reduce the post-editing, so this really taught me how to get the most out of a camera and its settings.”

Jack Pallet, Photography
## Which level?

Employers and universities measure your qualifications in terms of levels. This qualification guide will help you understand what level you are at now and how you can get to where you want to be.

<table>
<thead>
<tr>
<th>Level</th>
<th>What’s this?</th>
<th>Options</th>
</tr>
</thead>
</table>
| **Entry** | Courses for beginners and those who need to gain confidence with basic maths and English before continuing their studies. | • Basic English and maths  
• ESOL  
• Foundation Learning  
• Supported Learning |
| 1 | Sometimes called foundation learning, Level 1 study is for those who want to learn a new subject or skill and prepare for higher levels of study. | • BTEC Awards, Certificates, Diplomas  
• NVQ/VRQ  
• Traineeships |
| 2 | These courses expand on the knowledge you may already have from a Level 1 or equivalent course or through other experience, and prepare you for work or further study. | • BTEC Awards, Certificates, Diplomas  
• NVQ/VRQ  
• Intermediate Apprenticeships |
| 3 | Level 3 courses are more advanced, and focus on developing a more detailed knowledge and broader experience in your chosen subject. | • BTEC Awards, Certificates, Diplomas and Extended Diplomas  
• NVQ/VRQ  
• Advanced Apprenticeships  
• Access to HE |
| 4/5 | These courses are classed as university level qualifications and are equivalent to the programmes universities offer. They will provide you with an increased depth of knowledge in your subject area. | • Higher Apprenticeships  
• HNC/HND  
• Foundation Degree  
• NVQ Level 4 and 5 |

“I studied Biology, Maths and Chemistry and am off to medical school at Exeter University in September. I am very happy with my results. I’d recommend the college as we have very good tutors and a variety of ways of learning, whether online or books.”

Khaled Al Bushe Ade, achieved AAA*
Whether you're aiming to go on to higher education or gain the qualifications you need to enter the workplace, our A Level courses at Bournville College can help set you up for success in your career.

Many of our students go on to enjoy a broad range of opportunities after completing their A Level courses; typically choosing three or four A Levels for a two-year study programme.

Why choose Bournville College for A Level courses?

- Ofsted grade 2
- Highly qualified tutors, many to PhD level
- Great specialist facilities in our A Level Centre
- Excellent progression rates to university and work
- Work experience and student ambassador programmes on offer to all students
- Tailored support to ensure students achieve their full potential

"I love the freedom that the college has provided me with and I really enjoy the Film and Media course. I'm looking forward to next year."

Abby Young, achieved AAA*
We know how important work experience is when it comes to securing your first job and we will help find you a work placement.

Here at the college there is a chance to put into practice the knowledge and technical skills you will learn into an industry relevant placement. Placements will provide additional support from an industry relevant employer to enhance your current skill set. A placement can range between a 30 hour work placement to a 460 hour Industry Placement Award. Our placement coordinators are always on hand to give you advice and guidance to ensure you get the most out of your placement.

All of our employers are keen to inspire and engage with students in their industry and are eager for you to join them on a placement. Placements are the opportunity to showcase your skills which helps grow your network, build working relationships and may possibly lead to employment or Apprenticeships.

Last year, our students completed work experience with National Express, Hilton, Holiday Inn, Birmingham City Council, Balfour Beatty, Kier and so many more. You could be next!
## Apprenticeships

### Business & Finance

- Advanced Apprenticeship in Business Administration

“It’s great studying at South & City College! I’ve had two weeks of work experience at a travel agency in Spain and I’ve also been on many trips to places such as London, Liverpool, a 3-night cruise from Southampton to France and Flybe cabin crew training which was a lot of fun.”

Keria Lewis, Travel & Tourism student

CAMPUS: BC: Bournville College  
BG: Bordesley Green  
D: Digbeth  
F: Fusion  
GH: Golden Hillock Women’s Centre  
HG: Hall Green  
HW: Handsworth
Ready to join us?

If you have found your ideal course and have all the information you need, you can apply by following these simple steps...

1. **Fill out an application form.**
   You can do this online at [www.sccb.ac.uk](http://www.sccb.ac.uk)

2. **We’ll then write to you** and let you know that we’ve received your application. You’ll be invited to come in for an interview. This might include an assessment or an audition for some subjects.

3. **If you are successful at your interview, you will be offered a place to study at the college.**
   You will also be given a date for you to enrol at the college. On enrolment day, you’ll be given the information about your first class. We look forward to seeing you soon.

If you have any problems or questions along the way you can:

**Call:** 0121 694 5000  **Email:** hello@sccb.ac.uk
or pop in to any of our campuses
Still not sure what course to do?

No worries, we understand that with lots of courses on offer, it can be a difficult decision. That’s why if you are still making up your mind, have some questions or need more information, why not...

Visit our website

Go to www.sccb.ac.uk for more information about the college, our courses, student support, and hear what our students had to say.

Call or email us using the details below. Pop into any of our campuses where our staff will be happy to answer any questions or help you.

Come to an open day

We have open days throughout the year where you can get a feel for the college – see page 4 for dates and times.

Missed an open day? Don’t worry, contact us to arrange a talk and tour by emailing talkandtour@sccb.ac.uk or online at www.sccb.ac.uk/talktour

Follow us and be part of the conversation.
