YOUR QUESTIONS ANSWERED

DOES THE LOAN ONLY COVER THE TUITION FEES?

The loans are for tuition fees and essential equipment only. You may be eligible for financial support from the college to contribute to the cost of travel, childcare, equipment or any additional support needs. This will be based on household income. Please ask a member of staff for more information.

DO I GET THE MONEY IN FULL?

No, Student Finance England will pay your agreed tuition fees direct to the College in equal instalments. You can take out the full cost of the tuition fee or you can pay part of the tuition fee yourself.

DO I HAVE TO HAVE A GOOD CREDIT HISTORY?

There is no credit check and your household income isn't taken into account. It is important that you consider your own circumstances and look into all the options for paying for your course. Independent financial advice is available from the Money Advice Service at moneyadviceservice.org.uk or by calling 0300 500 5000.

REPAYMENTS

Repayment will only start once you have finished your qualification and are earning more than £25,000 per year.

Repayment of loans is through the tax system; first repayments commence in April after you finish your course and in line with changes to higher education repayments.

Interest rates are variable based on income, up to a maximum of rate of inflation +3% for incomes above £45,000.

Outstanding loan balances will be written off after 30 years.

Example monthly repayment amounts, income each year before tax:

£15.00 a month – If you earned £27,000 a year

£37.50 a month – If you earned £30,000 a year

These repayments will be linked to earnings rather than the loan amount, so regardless of how much a student owes, the payments will be the same.

If annual earnings fall below £25,000, repayments will stop and only restart when earnings increase to more than £25,000 a year.
