Senior Post Holder Remuneration Policy

INTRODUCTION

The Senior Staff Remuneration Committee is responsible for all issues in relation to senior staff pay and reward, including reviewing and making decisions on the remuneration, benefits and conditions of employment

Senior Post Holders are senior members of staff appointed by and directly accountable to the Governing Body and are detailed in the Senior Staff Remuneration Committee's Terms of Reference.

The College has adopted the Association of Colleges' Senior Post Holder Remuneration code and this policy has been drafted in accordance with the Code. It provides a set of principles for setting Senior Post Holder pay and conditions and a procedure for making such decisions.

REMUNERATION PRINCIPLES

The Committee is responsible for implementation of this policy and it should be guided by the following principles:

- Facilitate the recruitment and retention of high caliber senior post holders.
- Recognise exceptional performance
- Pay individuals fairly, recognising their roles and contribution to the College
- Ensure that the pay is good value for money and is publicly accountable.
- Recruit from a nationwide talent of people.

HOW THE SENIOR STAFF REMUNERATION COMMITTEE SETS PAY

In setting pay, the Committee considers the following:

1. External competitive market and will take into account the AoC's Senior Pay Survey, benchmarking data for comparable roles, with the size and complexity of the College.
2. College internal analysis and External reports.
3. Performance and appraisal against targets- These are set by the Committee and are in line with the College's Strategic Objectives and will be carried out annually
4. The Value of the Role- Consideration needs to be taken into account of the complexity of the role and the specialist knowledge, including level of experience.
5. Affordability- need to take into account the financial status of the college.
6. Transparency- need to consider the pay award of all staff and any increase in comparison to other staff.
7. Fairness- be mindful of equality and diversity and inclusion of the workforce.
8. Whether a cost of living award is being made to all other staff

SENIOR STAFF REMUNERATION COMMITTEE

The terms of reference are appended.

PENSION

Senior Post Holders are eligible for membership of the Teachers Pension Scheme or the West Midlands Local Government Pension Scheme, with the employer contribution being determined by the rules of the scheme.

The College does not provide pay in lieu of pension to individuals who are above their Lifetime Allowance.

SEVERANCE PAYMENTS

Any severance payment made by the College to a Senior Post Holder must be reasonable, appropriate and justifiable. Where severance payments are under consideration, legal advice should be taken to ascertain the legitimacy of any proposed payment. The Board should comply with the Association of Colleges' Senior Post Holder Remuneration Code in relation to severance payments. In line with the funding agreement, the Board must draw any such payments to the attention of the College's External auditor.

EXTERNAL EARNINGS AND APPOINTMENTS

Senior Post Holders may serve as Committee members, Trustees, or Non-Executive Directors of an external body, where it is considered important in the interests of representing the College. Any such external membership must be disclosed to the Corporation with assurance that there are no conflicts of interest or issues with confidentiality and that the membership will not unduly detract from their College role.

Senior Post Holders must disclose all income retained from any external bodies and this income should not be excessive.

EXPENSES

The expenses policy is in line with the Financial Regulations and is the same for all staff.

REGISTER OF INTERESTS

Senior Post Holders must declare any register of interests to the Clerk, who is responsible to keep this updated.

In addition, the Chief Executive/Principal should declare any retention of income generated from external bodies.
