WHO IS THE FAST TRACK ENGLISH COURSE FOR?

Students at intermediate, upper intermediate or advanced level (CEFR B1, B2 and C1) who have a professional qualification from their country of origin and who want to develop their English skills for progression to university or to access better career opportunities. There are 21 hours of classes per week in 2 modules of 12 weeks. This course will improve learners' English Language skills, support them to develop academic skills and prepare them for further study and employment.

The benefits of choosing to do this course are:

- Writing assignments
- Taking part in discussions
- Listening in a variety of situations and contexts
- Note-taking in lectures
- Reading academic texts
- Exam techniques
- Greater accuracy of grammar
- IT based learning
- Presentation skills
- Intensive programme 5 days a week
- Preparation for IELTS exams

We will provide learners with:

- An initial assessment to identify starting points
- An individual learning plan which will be personalised to your individual needs and future targets and focus on the main areas you need to improve
- Regular assessments, tutorials and reviews to track your progress
- College Certificate following course completion and the option to take the IELTS exam.

The course will divide into 2 modules which last 12 weeks each. Learners will start either module 1 or module 2 depending on their initial language level and the target level that they need to progress within education or employment for their profession.

FEES – fully funded
